OCEAN

ALMA MATER

In the heart of dear old Texas,
Where the sweet bluebonnets grow,
Stands a cherished Alma Mater
And it's there our mem'ries go.
Where the blue and gold are waving,
Where the Southern breezes play,
Pride of Texas, Alma Mater
'Tis of you we sing today.

Oh, Texas Wesleyan College,
Pride of the Lone Star State
Though the years be swiftly fleeting,
We never shall forget
To bring to you our college
Hearts that are fond and true,
Your daughters and sons will be faithful,
Bringing tributes and praise to you.

Round your stately walls of knowledge
Linger mem'ries fond and dear
Of your counsel, truth, and wisdom,
And of friends from far and near,
And we make this sacred promise
That we'll ever bring to you
Tribute, praise, and love, and homage,
Alma Mater, Hail to you!

Fort Worth, Texas

Instructor, Sportsman, Counselor, Friend — we have come to know him as one who fills each of these capacities well. He is a stalwart on campus and because of his farsightedness has come to exemplify the new and growing Texas Wesleyan. In gratitude and with pleasure we dedicate the 1957 TXWECO to Mr. O. D. Bounds.

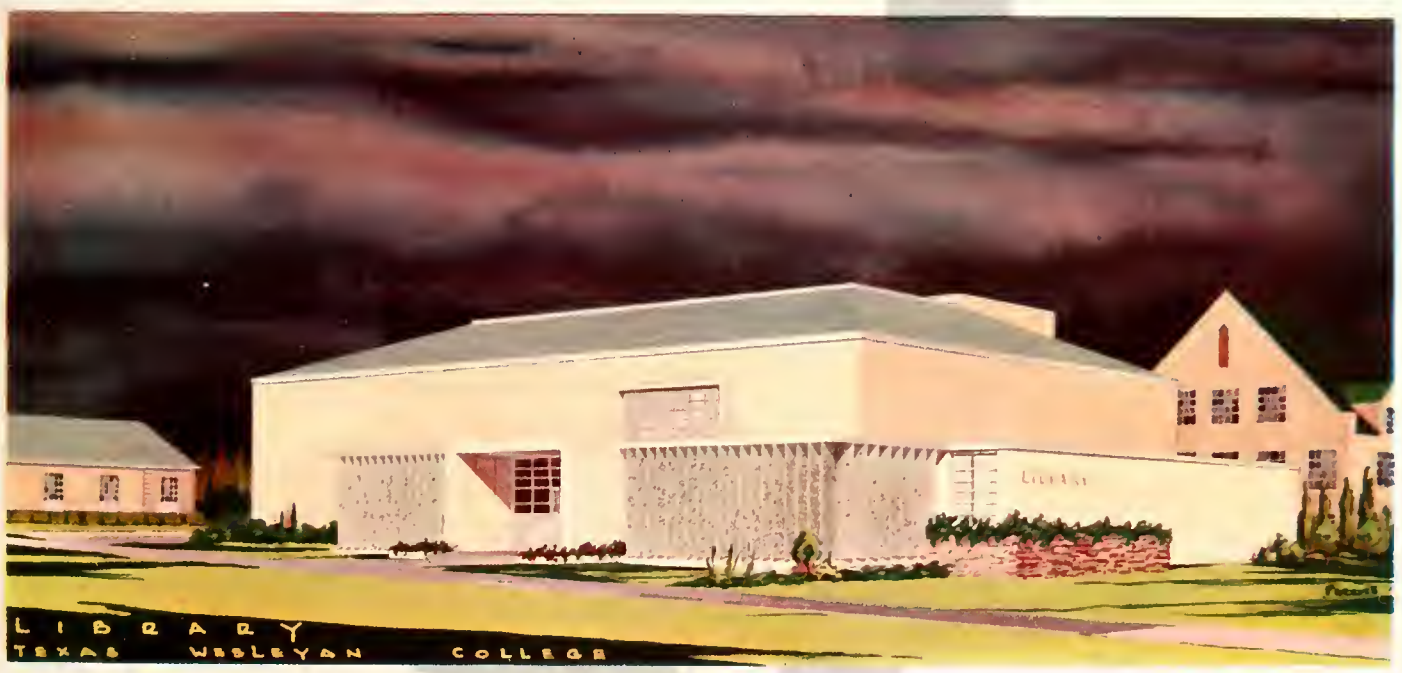
. . . Four buildings, including a Library, a Dormitory for Women, a Dormitory for Men, and a Cafeteria, are scheduled for completion before the beginning of the Fall Semester, 1957. All four buildings will be air-conditioned for you.



Administration Bldg.

Students have business in the Ad Building nearly every day. As well as attending classes there, they . . .

pay tuition and buy stamps in the college Business Office or spend a quiet hour of study in the library.

Student Union Bldg.

The coffee is always strong and black enough to see you through the next class and if you don't have one there's talk and TV to occupy you.

Meet you where? — In the SUB, of course. The Christmas Tree in the SUB each year has become another TWC tradition.

Fine Arts

Music, Art, and Theology ring from the southern end of our campus. In addition to regular classes, twice weekly Chapel periods are held in Fine Arts Auditorium and the doors of Poly Methodist Church are always open in welcome to a college student.

Home Economics

The Home Economics' House and the Gym have a characteristic in common — classes in both are carried on informally with a great deal of student activity involved. This informality encourages many students to return to spend their leisure hours in constructive relaxation.

September 10th

Everyone felt fine, though, when the all college picnic and games began that night.

After taking tests all day, the Freshmen joined in the fun and soon felt a part of the school.

Freshmen Initiation

The Freshman class officers were elected and painted with lipstick as befitted one of their station. Each girl was to have exactly forty pigtails and terror rained down on the "Fish" who didn't bury his nose in the dirt when an airraid was called.

The Sophomores were quick to let the Freshmen know that a "Fish" is the "lowest form of slime on earth" and the traditional rivalry between the two classes brought strange and amazing sights to the campus during the first few weeks of school.

Rolling peanuts is a favorite sport of Freshmen boys — especially when Sophomores are around.

Fish to the Fishpond where the girls had to model their costumes for the day from the center planter.

When the Soph officers paddled their Freshmen counterparts it didn't hurt much and besides next year the score will be evened when the paddled will become the paddlers.

The "Powderpuff Bowl Game" between Freshmen and Sophomore girls was a marvelous demonstration of feminine football strategy which ended in a close decision for the Sophs.

As part of initiation the Sophomore boys challenged the Freshmen boys to a tug of war but the line in the center was a slime pit where most of the participants ended up.

At halftime the team had a huddle and the Fish cheerleaders urged them on to victory.

Jack wasn't the only one with a stomachache when the chug-a-lug contest ended.

Audrey came as Lil' Abner instead of Daisy Mae and was nominated for the title.

"So who's afraid of the revenuers —I got my shootin iron ain't I?"

Sadie Hawkin's Day

The peace and dignity of the campus was destroyed by screams from the jailhouse and the rush of running feet as would be Lil' Abners tried to escape a Daisy Mae. It was Sadie Hawkin's Day where every girl had a chance to get her a man — if she was fast enough — and be "married" by "Marrying Sam".

With these jailors a girl didn't have a chance. You could get out by kissing the pig or a boy for twenty seconds.

Hog calling requires a very special talent but the contest here was based mostly on who could yell the loudest, the longest.

A shot was fired and the race was on. Every girl was after a boy and the slow runners didn't have a chance.

Dances

Good music always brings dancing feet to the floor, and whether it was in the SUB. the C. I., or one of the country clubs, you could find a crowd of T.W.C.'ers putting their best foot forward and having a good time.

The first night on campus found us square dancing on the tennis courts and at the end of the week we checked our shoes at the door of the SUB for the annual welcoming Sock Hop. Time flew by and suddenly we were dressing for the Christmas Formal at the Woman's Club where Snow Maiden and Jack Frost were elected for a Winter's reign.

Classes claimed us through the week but on Friday and Saturday nights, we were ready to push the chairs back in the SUB, feed the juke box, and dance. These informal dances were usually sponsored by an organization — the Junior class, Scia Quatore, the Cheerleaders — these were only a few of them having dances. The social clubs hold their Presentation Balls to present new members each year in the spring.

Brigadoon

Ronnie McManus and Cherry Maddux.

Texas Wesleyan and Fort Worth received a special treat when the Fine Arts Department presented the musical comedy, Brigadoon. The story of the two twentieth century Americans, Tommy Albright and Jeff Douglas, who became involved in the lives and adventures of the centuries old Scottish townsfolk of Brigadoon, was sung, danced, and acted by a talented cast under the direction of Mason Johnson. Brigadoon had a strange peculiarity in that it appeared on earth only one day every hundred years and then returned to its unknown sphere to await another day. This complicated the love of Fiona McLaren and Tommy Albright but only added more vigor to the comical pursuit of Jeff Douglas by Meg Brocke.

Do you believe in Heaven, and reincarnation, and all sorts of fantastical happenings? Then you should have seen the Thespians' Spring Production of "Heaven Can Wait" directed by Mr. Bill Smith. The action took place in Heaven where a Messenger had mistakenly taken Joe Pendleton before it was his time to die. Joe, who was to be the next boxing champion of the world, demanded his cremated body back and a return trip to earth. There was a compromise worked out and Joe entered the body of first, a Mr. Farnsworth and then in quick succession, several other people who had recently died on earth. The happy ending came when Joe was given possession of a boxer's body and could again look forward to the championship.

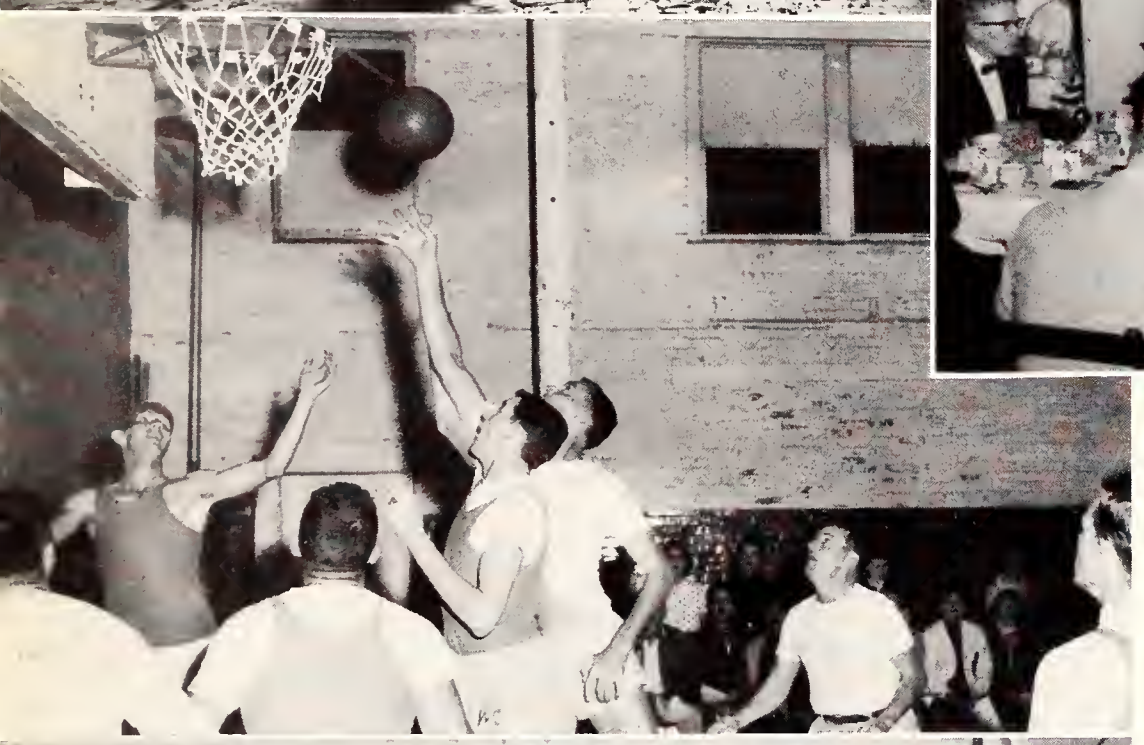
Campus Review

Two gala events — the bonfire and the Christmas dinner.



The events which highlight a campus year are many and varied. We remember them for reasons known only to ourselves — it was something unusual; we were personally involved in it; it was a big campus event — whatever the reason they are now an integral part of our memories of Texas Wesleyan life.

The Preacher Boys — Faculty Foulers basketball game was sponsored by the Senior Class.

The best cooks anywhere—the TWC kitchen staff

The men who keep everything in working order — the maintenance men.

The dorm Halloween Party, clowning by the kids in the kitchen, the faculty cheerleaders, the intersorority tea all bring us memories of good times.

Something spiritual — the M.S.M. presentation of "The Hangman and the Thief"

Something intellectual — Dr. Sarah Blanding, President of Vassar, as our Wilson lecturer.

Dean Cox always gives the bride away at the Old Student — New Student wedding when old students and new students are bound forever in friendship.

Basketball

An almost completely new Texas Wesleyan Ram basketball squad with only one returning letterman did not find range until ten games of their season had been completed. Despite the slow start and the defeats the Rams encountered, they went beyond the expectations of coach Elmer Hanebutt by ending their season with a 7-20 won loss record.

ABILENE CHRISTIAN COLLEGE

As the Rams began their season, they were ripped by a heavily-favored Abilene Christian team who pulled their win out of the fire in the remaining two minutes of the game. Dale Archer and Herman Baldwin tied for high-point honors by dumping 14 points each. The final score saw A.C.C. 61-Rams 57.

Dale Archer

MIDWESTERN UNIVERSITY

A few days later, the Ram's five met tougher opposition at Wichita Falls when Midwestern University's Indians scalped the Wesleyans, 103-65. Dale Archer led the losing team with 18 points. The Indians proved too potent hitting 46 of 88 field goal attempts while the Rams did only half as well—connecting on 23 out of a similar 88 tries.

LAMAR TECH

The Ram quintet, on its home ground, for the first time since its beginning the season, fell merciless before Lamar Tech of Houston, 80-46. Charlie Uselton contributed 11 points in this encounter, the high for the Rams.

Herman Baldwin

Bobby Browning

STEPHEN F. AUSTIN

Bill Munday, 6-5 Sophomore shotmaker from Sanger made his first bid as high scorer for the Wesleyan team, pouring in 17 points for the Rams as they were felled 85-53 by a powerful Stephen F. Austin team.

LAMAR TECH

Meeting the Cardinals of Lamar Tech, once again on a foreign court, this time the Rams again fell merciless at their feet. However, the Rams improved its offensive game and lost only by 26 points compared to their 34 point deficit in the first Ram-Cardinal game. Herman Baldwin broke into the leading individual scores slot in this game by giving the Rams 21 of its total 64 points.

STEPHEN F. AUSTIN

A night later, the Lumberjacks of Stephen F. Austin shouted "timber" as the Rams crashed down in defeat for the 6th time in as many outings. Austin, who already held one victory over T.W.C., hopped into an early lead and never trailed the Ram five. The final score was 95-59 with Bill Munday pacing the Rams with 17 points.

ABILENE CHRISTIAN COLLEGE

The T.W.C. team still striving for its initial victory battled toe to toe with Abilene Christian College through a tough fought battle on the Recreation Hall court. It was a free-wheeling arm-pumping contest which had all participants weary at the final whistle. Bill Munday and Don Rees, each with 25 and 24 points respectively, lead the Rams as the Wildcats bit them 97-90.

ELKS TOURNAMENT

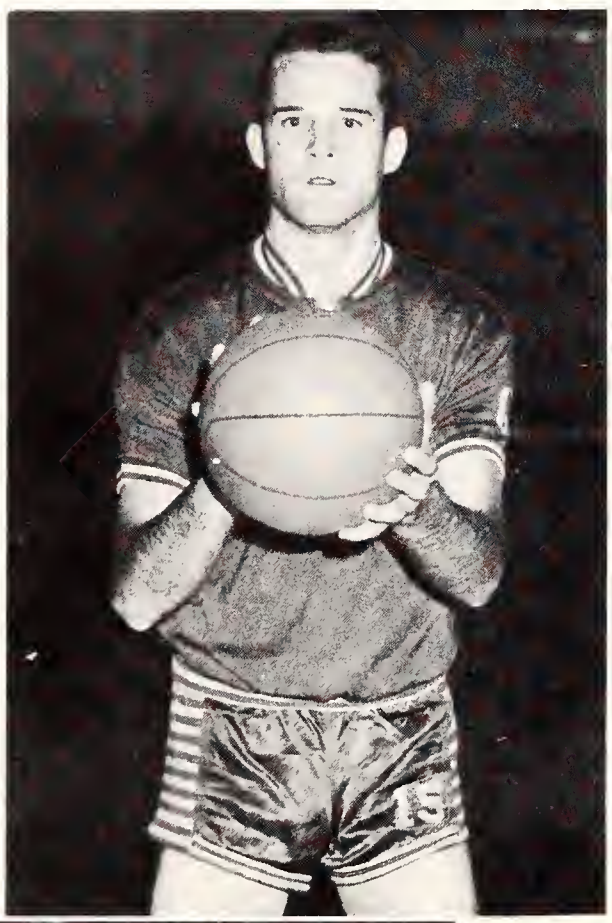
With the Christmas holidays nearly gone, the Texas Wesleyan College Rams journeyed to Dallas where they met two teams in the Elks Cotton Bowl collegiate invitational basketball tournament. The Rams continued having a dry season losing both to Sul Ross and Midwestern.

In the first game Sul Ross had its hands full downing Texas Wesleyan and managed to win 71-64 only after the Rams were reduced to four men via too many fouls.

Still losing men on fouls, 3 in its second tourney contest, the Rams bowed to Midwestern University 86-76. Bill Munday bucketed 19 for the Rams.

Charlie Uselton, captain

Vernon Welch



AUSTIN COLLEGE

Classes resumed after the holidays and the picture of the Ram basketball team continued to fade as Austin College racked 85 points to the Rams 72 in another non-conference tilt. It was the Rams 10th straight loss and matched the school's record for the number of consecutive reversals. The T.W.C.'s team leading scorer was again Bill Munday as he rifled in eight field goals and six free throws, totaling 22 points.

McMURRY COLLEGE

Rain fell in the form of points and ended the drouth for the Ram quintet. Having lost their scalps to the McMurry Indians, the Texas Wesleyan crew took them to a cleaning by a score of 76-68. 25 points dumped by the Sanger sharp shooter, Bill Munday, led the way for T.W.C.'s initial victory.

McMURRY COLLEGE

The Wesleyan team having once defeated the Indians of McMurry were knifed in the heart and died 65-55 at the hands of the Indians. Irony rose to its supreme height as the Methodists of McMurry ended a ten game losing by winning this one. Their defeat at the hands of the Rams earlier in the season had broken the Methodists of T.W.C. ten game losing streak. McMurry won the game from the free throw line, both teams hitting the same number of field goals.

CORPUS CHRISTI UNIVERSITY

Rees, Archer and Mundy, hitting in the double figures couldn't add enough points to the final score and the Rams slipped on a Corpus Christi banana peel for a 70-85 score.

PAN AMERICAN COLLEGE

Slap and the cageman from Fort Worth grabbed a quick lead at Edinburg and slayed the Pan American College Broncs 78-50. Into the second half the Wesleyans built a 35 point lead before coach Elmer Hannebutt called off his regulars. Munday steered the winning ship with 26 points.

SOUTHWESTERN UNIVERSITY

For the fifth straight encounter Munday provided the top score by breaking the individual scoring record for a Ram player hitting good for 36 points against its first Big State Conference foe, Southwestern University. Despite Mundays marvelous display of scoring, the Pirates pulled the game with a last second tip in and won 87-86.

ST. EDWARDS

At Austin St. Edwards, the Rams' second Big State foe, jumped into an early lead and rubbed out Texas Wesleyans comeback stroke in the second half downing the Rams 88-59. The winners outclassed the T.W.C. team both from the field and the free throw line to win this contest.

ST. MARY'S

Two in a row. By a slim margin T.W.C. edged St. Mary's 71-70. Trailing by 10 points at intermission, the feverish Rams came back to prove too-hot-to-handle for the St. Mary cagers. Herman Baldwin swished to the net for 19 points leading the Rams to its third win.

MIDWESTERN UNIVERSITY

Once more free throws maintained command with Midwestern University spilling Texas Wesleyan 85-71. It was Midwestern's third victory over the Rams and they counted well with 35 charity pitches. At the end of the game the Ram squad found 5 of their 6 first line players sitting on the bench as a result of fouls. The Rams outscored the winners from the field, hitting 27 as compared to 25 for Midwestern.

EAST TEXAS BAPTISTS

Marshall, Texas saw Methodists and Baptists running and shooting quickly in a helter-skelter game that ended 114-91—Rams on the small end. Don Rees, freshman flash from Indiana, contributed 23 points to the losing group's total statistics.

TEXAS LUTHERAN

On home ground once more, Herman Baldwin with 27 points, Bill Mundy with 26 and Don Rees with 19 formed a three-sided spear that cut down the Bulldogs from Texas Lutheran, 90-86. The Rams goaled better than 50 per-cent of their efforts in the first half and never had to look back to win the game.

PAN AMERICAN

Still enjoying the home court, Texas Wesleyan switched to a zone defense, made a second-half shambles of what had been a respectably close contest, and literally breezed to a 94-51 Big State Conference cage victory over Pan American. Rees, in this runaway stagecoach, bagged 29 points and tied the T.W.C. individual free-throw record of 15. He missed only twice.

ST. MARY'S

Leading at intermission and at the final whistle by three points, the Wesleyans took another Big State Conference game, 78-75. Proving to be a nip and tuck battle all the way, the game was filled with anxiety. Bill Munday gunned 24 points for the winning Ram team.

AUSTIN COLLEGE

In another wild contest at Sherman, Texas, Bill Mundy took individual scoring honors that had escaped him in three previous games, dumping 25 points, as Wesleyan fell to Austin College 88-102.

ST. EDWARDS

Herman Baldwin pushed a 15 foot shot through the cords with a mere two seconds remaining, bringing a pulsating Ram comeback to a successful 64-63, conclusion in a Big State Conference contest with St. Edwards of Austin. T.W.C. scored seven points in the final minutes and 20 seconds while St. Edwards drew a blank. Baldwin also led the Rams by becoming the games top individual scorer with 19 points.

SOUTHWESTERN UNIVERSITY

Sluggish and slow the T.W.C. cagers never could find a starting point for a rally when they met Southwestern University in the Recreation Hall and fell victim to a strong Georgetown team, 86-94. Rees, always a strong man, gave the losing team its highest individual help with 20 points.

EAST TEXAS BAPTIST

As the Baptists of East Texas met the Wesleyans on unequal terms the Rams founds no foothold on which to plant an upset and ended holding the losing end of the game 57-88.

TEXAS LUTHERAN

The Ram basketball team made a loss its final attempt at its 1956-57 season in Seguine, Texas, losing to Texas Lutheran when a second half rally fell short of its mark. Texas Lutheran bagged the victory, 89-82, and squared its series with the Rams 1-1.

The Texas Wesleyan Rams finished with a 500 record in the Big State Conference with a 5-5 mark.

Officers of SAI Honored at Supper

Members of the executive board of SAI were honored with a buffet supper, Sunday, at the home of Miss Myra Saffley, sponsor. The gathering also created more interest for the National Music Fraternity officers as they discussed and planned the meetings, programs, and activities of the coming year.

To follow up this informal gathering, SAI members will meet this afternoon at four o'clock for the first formal business meeting. An editor will be elected, and Jackie Browning will give a report of the National Convention of SAI, which met last August in Washington, D. C.

Social Clubs Give All-School Dance

Members of Delta and Sakkaio will sponsor a "howdy dance" Saturday, September 22, from 9:30 to 11:30 P. M. in the SUB. The entire student body and faculty are invited to join in the promoting of friendliness and welcoming of students at this dance.

Opening Assembly Held In Fine Arts Auditorium

The opening assembly of Texas Wesleyan College for the 1956-57 school year was held in the Fine Arts Auditorium last Thursday. The assembly began with the traditional playing of the Star Spangled Banner and singing of America. Rev Darrell Patton gave the invocation.

Dean Cox gave a welcoming address to both the old and new students before introducing Dale Dorman, student body president. President Dorman led the assembly in the oath of membership to the student council. The oath is a promise to abide by the laws and regulations of the Student Body Organization of Texas Wesleyan College and to further in every way the spirit of high standard in social, moral, and religious ideals.

New faculty members were introduced to the student body. Dr. Hayden Edwards, District Superintendent of the Fort Worth East District, gave a challenging address to the assembly. It is a tradition to have Dr. Edwards at the opening assembly. He told the student body, "You can go out to give all you can or to get all you can. If you really want to live, then give." He asked them the startling question, Wake Jesus, "Did you ever try giving yourself away?"

The assembly was closed with the traditional singing of the Alma Mater.

Get-Acquainted Picnic Is Planned by FA Groups

The Fine Arts Division of Texas Wesleyan College is holding its annual get-acquainted picnic at Oakland Park, Friday, September 21, at 5:30. All students enrolled in classes in the speech, drama, art, or music departments are encouraged to attend.

Entertainment for the picnic is being planned by the Speech Department with Virginia Ward and Jeannie Maxwell directing. Johnny Brown from the Art Department is in charge of making posters and invitations.

Food arrangements will be handled by Sigma Alpha Iota, national music fraternity chapter on the campus.

A charge of 75 cents for everyone attending is required and payable to Fran Brown or Bill Miller. All new students are considered guests, therefore they are not required to pay the fee.

Because of the addition of several new teachers within the Fine Arts Division, all Fine Arts majors are encouraged to attend the picnic and become better acquainted with the new students and teachers.

Work Begun On Student Directory

Work was begun last week on the Student Directory for the current school term. The committee which is undertaking to collect the necessary data is composed of G. D. Cockerham, Sam Rasco, Jim Massey, Charles Loseke, and Joe Hickson.

The committee is anxious to make this directory available somewhat earlier than in previous years. Information to be checked on registration records for the current semester includes name and home address of student, local address classification, and telephone number.

Any student who failed to give accurate information at the time of registration should go into the registrar's office immediately to make adjustments on any items lacking or in error so that the Directory may be as accurate as possible. A final check will be made by the committee as soon as all records of late registrants are made available.

Other names will be added to the committee as the work progresses and it is hoped that all the information will be ready for the printer by the close of the first month of school.

Welcome to TWC

You have already begun to experience the spirit of friendliness which is so characteristic of the faculty and students on the Texas Wesleyan campus. We look to you to carry on this heritage which has been hand-down to you by students and faculty for the past sixty-five years.

We feel that you are fortunate to be one of more than a thousand students here at TWC this year. You will be able to watch the Library take shape and be completed by the end of the spring semester. You will also be here to see construction begun on three more buildings—two dormitories and a cafeteria.

This will be a big year at Texas Wesleyan. Make the most of every minute, and the days will take care of themselves.

LAW SONE, PRESIDENT

REGISTRAR SAYS:

Registration Holds Own As Enrollment Continues

As registration continues the latest figure available for the fall semester is 1900 students. Registration will continue through September 22 and indications point to a slight increase in enrollment," according to Henry W. Pike, registrar.

New sections have been added to handle the students because of large enrollments in various classes.

An informal college dance Saturday night in the Student Union building closed the first week of enrollment, classes and activities for the new and old students.

In addition to the regular hours, the registrar's office will remain open Monday through Thursday nights from 6:30 to 8:30 p. m. to accommodate students attending night classes and for late registration.

Students who plan to graduate should fill in an application for a degree in the registrar's office, if they have not already.

TXWECO Staff Is Predicting The Best

As you who have been caught up in the rush of the opening week on the 57 WCW 6200 have discovered, Woody Hollingsworth, the staff photographer, has been hard at work to catch the highlights of your first week of school.

The first official staff meeting will be held Tuesday night September 18. There reporting for work will be Thomas Harbert, news editor; Laura Jones, assistant editor; Bill Harris and Billy Parish, sports editors; Mary Jane Noland and Mary Bowden, organization editors; Woody Hollingsworth, photographer; Dot Hughes, senior class editor; Linda Holt, junior class editor; Sylvia Shanks, sophomore class editor, and Karen Williams, copy writer. The freshman class editor will be chosen from a group of several freshmen who express an desire to work on the yearbook staff.

The first big job of the year will be the taking of class pictures which will begin the first week of October. The Braswell Trophy will be awarded again this year to that class which has the highest percentage of its members' pictures made.

The '57 TXWECO is going to be different from the yearbooks of the past and we, the staff, are all looking forward to working on it.

Council Sponsors Sock Hop in Sub

A "get acquainted" Sock Hop was sponsored by the Student Council Saturday, September 15, in the Student Union building.

As these grumbling visitors arrived they were greeted by refreshments and someone who had his record playing in one of their shoes to make the sock hop a real "socker."

They were rewarded for their task with "You Name 'Em" printed on them. "The purpose of the hop was to start a spirit behind the Rams this year," said Fred Tallingen, member of the Student Council.

One of the Council's projects this year is increased interest in the Rams.

The Ray Woodard orchestra played a variety of musical selections.

A FISH'S LIFE ISN'T SO BAD as these pictures show. Pat Mahan, fish from Fort Worth, found as she moved into Ann Hall that 34 petticoats and hard to find room for. Richard Ferguson, another fish from Fort Worth and Pat began to learn as they got their alibis hats. Pat relaxed over a coke and snack with Joyce Banks, Marie Ennis, Beth Gross, and Mary Lou Foster. Later Pat and Richard learned a couple of the facts of life from sophs Larue Harper and Jimmy Johnston.

Autiss meaning "Always Uphold True Ideal School Spirit," is a social club for girls on campus who have joined together in friendship and fellowship. Two of their outstanding social events of the year were a dinner at Cross Keys and a formal presentation of their pledges with their brother club, Altoco, at Woman's Club.

Altoco worked jointly this year with its sister club, Autiss, in the presentation of new members at Woman's Club. It is perhaps best known on campus for providing the athletic programs at all home basketball games.

Deka, founded in 1934, is the oldest girl's social club on campus. Deka's purpose is to provide wholesome social life for her members and friends and to develop leadership, poise, and character. The year's social activities were highlighted by a presentation ball given in co-operation with Sakkara, her brother club, at Rivercrest Country Club and the annual club week-end at Eagle's Nest.

Sakkara, in 1957, will celebrate its twenty-third year of organization, thus making it the oldest social group on campus. Its symbol, the pyramid, signifies permanence, cooperation, and steadfastness. This year Sakkara honored its pledges with a dinner-dance at the Cattleman's and formally presented them at Rivercrest Country Club in cooperation with its sister club, Deka.

Entre Amis, meaning "Between Friends," is indicative of its purpose—that of creating a friendly atmosphere on the campus. The club's colors of red and aqua were used to decorate the private dining room at Amon Carter Field where their formal rush dinner was held. New members were presented at a presentation ball, sponsored jointly by E. A. and its brother club, Illotus Duodecim, at Ridglea Country Club.

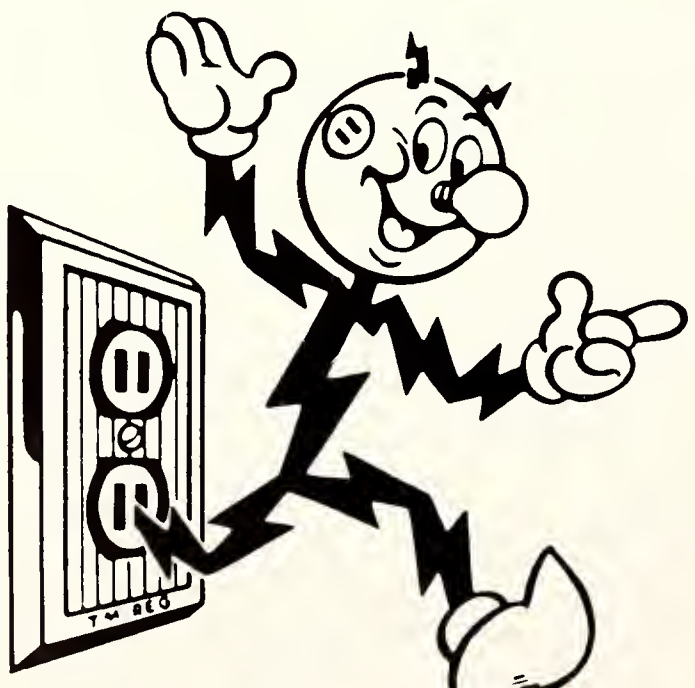
Your future is bright...ELECTRICALLY!



Your air conditioner, TV set and other appliances are just the beginning of a new electrical age.

Before long, your food will cook in seconds instead of hours. Electricity will close your windows at the first drop of rain. Lamps will cut on and off automatically to fit the lighting needs of your rooms. Television "screens" will hang on walls. An electric heat pump will use outside air to cool your home in summer, heat it in winter.

And there will be plenty of electricity to operate these electrical wonders of tomorrow. Business-managed electric companies, like Texas Electric Service Company, are constantly planning and building ahead to keep your electric service plentiful and dependable . . . ready when needed for progress and for better living!

We can imagine their children looking through the album in twenty years or so will think nothing could be quainter than Jack's green knit polo shirt with the ubiquitous button down collar and button in the back, or nothing more par'see than the striped pullover sport shirt George is wearing. And as for the polished cotton pants with buckle in the back the gents are wearing, well! mural! Styles change, but the

ALMA MATER

In the heart of dear old Texas,
Where the sweet bluebonnets grow,
Stands a cherished Alma Mater
And it's there our mem'ries go.
Where the blue and gold are waving,
Where the Southern breezes play,
Pride of Texas, Alma Mater
'Tis of you we sing today.

Oh, Texas Wesleyan College,
Pride of the Lone Star State
Though the years be swiftly fleeting,
We never shall forget
To bring to you our college
Hearts that are fond and true,
Your daughters and sons will be faithful,
Bringing tributes and praise to you.

Round your stately walls of knowledge
Linger mem'ries fond and dear
Of your counsel, truth, and wisdom,
And of friends from far and near;
And we make this sacred promise
That we'll ever bring to you
Tribute, praise, and love, and homage,
Alma Mater, Hail to you!
